Molly, Lucy, and Gabriel all received enrichment scholarships from Red Circle Foundation. Molly wrote us a letter and had this to say. "My dad was a Navy Seal for 11 years. He worked very hard as a fighter of this country. He helped us keep America's freedom and the World's peace in other countries. I believe that being a Navy Seal is a great thing to do."

We could not agree more. Thanks to all of you that help make this possible.
